EDUCATION

Lake Superior College, Duluth

August 2018 - July 2019

Graduated in the Web and Computer Programming degree. Subjects included HTML, CSS, Javascript, PHP, jQuery, Wordpress and MySQL databases.

Treehouse, Online

June 2017 - April 2018

I utilized Treehouse with its structured learning format and knowledge comprehension evaluations to build my foundation in Html, Css, Wordpress, Javascript, JQuery, Sass and Bootstrap.

University of Minnesota, Morris

August 2014 - June 2017

I attended the University of Minnesota Morris campus with a major in Computer Science. There I received a liberal arts education, importantly I learned Python, Java and a foundation in predicate logic and algorithms. I withdrew after my Junior year having been dissatisfied with higher computer theory.

Centennial High School, Circle Pines

2012 - 2014

Graduated with a GPA above 3.0. My introduction with web development began when I took a web design/development course using dreamweaver during my 10th grade year.
